

Peak Performance comes with a free gift!

Fluke tools help you run in high gear every day on the job. And that has its rewards. Now when you buy any qualifying Fluke products, you also get an extra bonus: a free gift.

Lane 1

Fluke 561 IR and Contact Thermometer

This fast, easy-to-use thermometer combines the temperature measurement functions of several tools all in one.

Fluke 62 Mini Infrared Thermometer

Quick, reliable and compact, this is the perfect introduction to IR for professionals.

Fluke 411 and 416 Distance Meters

Advanced laser technology allows you to measure distances up to 100 feet (411D) and 200 feet (416) instantly and accurately.

Fluke T5-600 and T5-1000 1000 V Voltage, Continuity and Current Tester

OpenJaw™ current lets you check current up to 100 A without breaking the circuit.

Qualifying products also include:

- Fluke 116 HVAC Multimeter
- Fluke 117 Electrician's Multimeter
- Fluke 322 Clamp Meter
- Fluke 902 True-rms HVAC Clamp Meter
- Fluke 335A True-rms Clamp Meter

Lane 2

NEW! Fluke 233 True-rms Remote Display DMM

Be in two places at once with our innovative multimeter with wireless remote display.

Fluke 336 True-rms Clamp Meter

This 600 ac/dc clamp meter provides you the ability to work quickly and easily in narrow and dark locations, and makes it possible to keep track of your measurements.

Fluke 1503 Insulation Resistance Tester

This compact and rugged insulation tester is ideal for many troubleshooting, commissioning, and preventative maintenance applications.

Qualifying products also include:

- Fluke 52 II Dual Input Digital Thermometer
- Fluke 179 Digital Multimeter

Custom hat Stainless steel mug

Lane 3

NEW! Fluke 28 II Rugged IP 67 Multimeter

The new standard for rugged. This DMM is waterproof, dustproof and built for harsh environments.

NEW! Fluke 421 Distance Meter

Accurately measure distances up to 330 feet. Built-in tilt sensor for hard-to-reach areas.

Fluke 337A Clamp Meter

Ergonomic clamp meter with small body and jaws fit perfectly in your hand and into tight places.

Qualifying products also include:

- Fluke 287 True-rms Multimeter with TrendCapture
- Fluke 1507 Insulation Resistance Tester
- Fluke 922 Airflow Meter/Micromanometer
- Fluke 771 Milliamp Process Clamp Meter
- Fluke 54 II Dual Input Digital Thermometer
- Fluke 566 HVAC Pro IR Thermometer

Lane 3: Gift with purchase

Lane 4

Fluke 289 True-rms Industrial Logging Multimeter with TrendCapture

The Fluke 289 is the next generation of high performance logging multimeters designed to solve complex problems. With the ability to log data and review it graphically on-screen, you can solve problems faster and reduce downtime.

Fluke 568 IR and Contact Thermometer

With a simple, 3-button on-screen menu interface, the Fluke 568 laser thermometer makes even complex measurements easy. Adjust emissivity, start data logging, or turn on and off alarms—with just a few pushes of a button.

Fluke 772 and 773 Milliamp Process Clamps

Both clamps expand upon the popular 771 in-circuit measurement tools with advanced process troubleshooting like 24 V power supplies or voltage I/O signals.

Lane 4: Gift with purchase

Remote control car LED Worklight

Promotion runs April 19 – July 31, 2010.
